

The Great Book Binge: Booktopia reveals the must-read series to curl up with this Winter

Aussie bookstore makes it easier than ever to pick your next book series

Australia, 12 May It's time to binge your next series — book series, that is.

Australia's biggest bookstore, Booktopia, is hosting The Great Book Binge for Aussies seeking their entertainment fix for the colder months ahead. For those looking for an addictive series of books to dive into, The Great Book Binge has you covered.

Booktopia's fiction, young adult and children's book experts have been hard at work selecting the very best series to showcase. All that you need to provide will be a comfy blanket and hot drink.

Whether you're hanging out for the next book in a long-running series, you want to find a brand new world to get lost in, or you fell in love with the Netflix adaptation and want to go back to where it all began, this campaign will have something for you.

If you need some inspiration, look no further.

Top Series Picks for Book Binge:

- **The Bridgerton series (as seen on Netflix) by Julia Quinn** — We swooned with Daphne Bridgerton over Simon, the Duke of Hastings, and we blushed with Anthony Bridgerton over the prickly (yet charming) Kate in Netflix's *Bridgerton*. Get to know this ravishingly good romance series!
- **A Court of Thorns and Roses by Sarah J. Maas** — If you've spent any time on TikTok lately (specifically, #BookTok), then you're bound to have heard of this steamy, schemey fantasy romance series that retells the story of Beauty and the Beast. It's time to meet Feyre darling ...
- **The Heartstopper series (as seen on Netflix) by Alice Oseman** — Boy meets boy. Boys become friends. Boys fall in love. If the Netflix adaptation hooked you in, prepare to fall hard for this million-copy bestselling graphic novel series.
- **The Grishaverse by Leigh Bardugo** — Comprising the original trilogy and two spin-off duologies, the Grishaverse is what made Leigh Bardugo's star truly shine.

Exploring power, magic, political intrigue, love and betrayal, this dangerous world is one to truly get lost in. Also a hit series on Netflix!

- **The Dune saga by Frank Herbert** — If Dennis Villeneuve's epic cinematic masterpiece *Dune Part 1* left you spellbound, then prepare to be swept away by the books that inspired it all.
- **The Jack West Jr series by Matthew Reilly** — With this series having wrapped up with the release of *The One Impossible Labyrinth* last year, there's never been a better time to dive into the adventures of soldier/scholar Jack West Jr as he races to save humankind!
- **The Seven Sisters series by Lucinda Riley** — The beloved Australian author Lucinda Riley sadly passed away last year, but her legacy lives on in her bestselling Seven Sisters series. Inspired by the Greek myth of the Pleiades, these books follow seven sisters as they each embark on a journey of self-discovery, love and loss after the death of their adoptive father.

If you order three or more books from the same series featured in The Great Book Binge, you'll save an extra 10% on your picks!*
