Booktopia's Crime Month follows a surge in demand for crime books in recent months, fuelled by the popularity of crime podcasts and books taking social media by storm. The month will provide something for everyone, from the mere crime-curious, regular thriller readers through to the most hardened of super-sleuths.

Booktopia has compiled a diverse collection of favourites from a range of critically acclaimed authors with stories that will keep you guessing to the end of every book. To help with decision-making, Booktopia's team of experts have done the hard yards to whittle it down to a shortlist of must-reads and put books into categories to help inspire the search for your next crime reads.

From international superstars to dazzling debutantes, the collection is bursting at the seams with books from an array of great talent. This includes award-winning reads from best-selling sensations including **Karin Slaughter, Jane Harper, John Grisham, Michael Robotham, David Baldacci, Chris Hammer, Dervla McTiernan** and **Candice Fox**.

Australian Noir is put in the spotlight through dark tales and fiendishly clever mysteries from the likes of **Hayley Scrivenor, Matthew Spencer, Margaret Hickey**, and **Shelley Burr**.
